

Discontinue Water

When services are discontinued, all fees associated with the account must be paid in full by the vacating account owner to include all water used from the date of this request until the final meter reading is made.

Date of Request: _____ Requested Date for Cut-Off: _____

Customer Account #: _____

Customer Name: _____

Service Address: _____

Forwarding Address: _____

Customer Phone #: _____

I hereby request that water service for the above account be disconnected. I understand that after a final meter reading has been taken, I will receive a bill for water run through the meter since my last billing. I further understand that I am responsible for this bill and agree to pay this bill in full upon receipt.

Notice to Owner: In the event a service is not used for up to 10 years and the service life expires, the customer will be assessed a new tap fee in order to restore service.

Customer Signature: _____
